

Diploma in Hospitality

(for domestic enrolments)

+ Commercial Cookery / Management

www.equals.edu.au

Overview: The Diploma of Hospitality/Certificate III in Hospitality (Commercial Cookery) gives graduates a great diversity of employment opportunities within this growing industry, including:

- hospitality management,
- cookery,
- food & beverage service, and much more...

Students interested in Commercial Cookery may elect to complete the 12 month Certificate III in Hospitality Commercial Cookery (SIT30807) rather than the Diploma.

Content: A wide variety of content is covered in the Diploma and includes providing and managing quality customer service, finance and budgets, lead and manage people, prepare and cook food (for cookery streams), food and beverage service, event management, hotel reception etc...

For more information on the content offered, please contact us for a full list of available units and specialisations.

Entry Requirements: There are no prerequisites for this qualification however it is recommended that candidates have completed at least an AQF 3 or equivalent and/or have relevant industry experience.
